2019 ANNUAL REPORT
On Behalf of the Lodge Executive Committee it is my pleasure to present the 2019 Nanuk Lodge Annual Report. It is filled with highlights of our program successes and the work out Arrowmen and our Lodge has accomplished for the Scouts, Scouters, Units and Council we serve.

I want to take a moment to discuss the success of the Lodge over this past year. This past year has been a little rough, but the Officers did their best with officer changes mid-year. Despite those changes we were still able to put on all our lodge events and celebrate the inaugural year of inducting female youth into our organization, Nanuk welcomed 8 qualifying female youth this year, two of which have taken the mantle as Lodge Secretary and Treasurer. We hosted another Conclave which brought near 200 visitors to Camp Gorsuch for the weekend across Alaska and Western Washington State. We have provided over 3,000 hours of service to our council camps and programs as well as near $2,000 in contributions to projects for camp to benefit our growing programs.

From the experiences we gained in the last year and through the helpful foresight of our adviser team we are prepared to get back on track with delivering a quality program. We continue to strive for quality and a lasting legacy of cheerful service despite obstacles that may come our way.

Nothing could be accomplished without the dedicated service of our leaders and arrowman recognized in the pages of this report. As you look through our report please congratulate these individuals who made this past year successful and who have contributed to our Lodges legacy as the 2020 leadership lifts the burden from their shoulders.

In Service,
Joe Pavia-Jones
Lodge Chief
The tradition continues from father to daughter. Food, the most important part of any OA function. Sales at the Trading Post are on fire.

The Founder’s Award was created to honor and recognize those Arrowmen who have given outstanding service to the lodge. The award is reserved for those Arrowmen who memorialize in their everyday life, the spirit of achievement as described by founder E. Urner Goodman. This is the highest award a lodge may bestow on its members. The award is a handsome bronze medallion bearing the likenesses of E. Urner Goodman and co-founder Carroll A. Edson. Below are those who have received this recognition in our Lodge.
