

# Gorsuch Cub Scout Camp Parent and Leader Guide

Summer 2020

Welcome to Gorsuch Cub Scout Camp,

After a successful 2019, 2020 is looking to be an even better summer for Alaskan Scouts. At Camp Gorsuch, cub scouts have had many new opportunities to get outside, have fun and learn new skills. The Council has completed over \$2.1 million in new construction and renovation projects in its camps since 2011. All of these improvements have helped create a better experience for Scouts and leaders attending camp.

The 2020 Leaders Guide is designed to provide information so scouts and their families, along with the unit leaders can start making informed decisions about attending camp. While the guide does not cover all the topics, it does provide you with the important and known information at this time. As plans continue to develop, they will be posted on the council website ([scoutingalaska.org](http://scoutingalaska.org)) and in eTrail Talk.

It is our goal to support the aims and methods of Scouting at all of our camps to help Alaska's youth be physically strong, mentally awake, and morally straight.

Working at summer camp is also a great way for a scout to spend his summer and the camps are always looking for good people. If you have a question about employment or anything else about camp please feel free to contact me.

See you at camp!

Mary Maresh  
Camp Director

## Camp Gorsuch

Camp Gorsuch is the camp property that is home to the largest camping program of the Great Alaska Council, Cub Scout camping. This camp is located on Mirror Lake and is part of the Rasmuson Scout Reservation.

The Cub Scout program at Camp Gorsuch has been designed to deliver an experience. One of the successful outcomes of that experience are activity awards, and other recognition that a Cub or Webelos Scout may have earned. Stated another way, emphasis is on the program experience, advancement is the recognition of the successful completion of that experience.

Our Camp operates 3 weeks during the summer and scouts sleep in camp provided tents or cabins with meals provided through a central dining hall. We offer a variety of programs, including aquatics, handicraft, archery, BB guns, and a well-stocked trading post.

The following information will help serve as a guide for your pack to have a wonderful summer camp experience. Camping is the great outdoor adventure of Scouting. The most crucial element of camping is that each scout should have the opportunity that the handbook promises.

In addition to our Summer Camp Program, the camp is the center for training adult leaders in the Cub Scout program.

# Camp Rules and Regulations

## **Prescription Medications**

The Health Officer is required to be informed of all prescription medications brought to camp by Scouts and Leaders. Medications are distributed one of two ways. The Health Officer will keep all medications at the Health Office in a locked cabinet and distribute them at meal times. Or if you choose to keep your prescription drugs in your campsite you must bring a lockable container to keep them in your campsite. You will also need to log the medication each time it is distributed. The log and lockable container must be available for the Camp Director or Health Officer to review at any time.

## **Footwear**

No bare feet. Scouts will need sturdy shoes for hiking and spare shoes in case their shoes get wet.

## **Emergency Procedures**

Emergency procedures will be posted on camp bulletin boards and in all campsites. As a general rule, Scouts and Leaders hearing air horns must report immediately to the camp muster point without delay. **Leaders must make their Scouts aware**

**of this policy.**

## **Restricted Areas**

**Scouts are restricted from the staff areas at all times.** Campsites of other units are off limits and should not be visited or passed through without permission. **No raids allowed!!** Raids cause personal and property damage and will be grounds for removal from camp. No refunds will be given to anyone removed from camp for raids or any other disciplinary problem.

**The Great Alaska Council is not responsible for personal items that are lost, stolen, or broken at camp. Any equipment or camp property damaged by the unit will be replaced by the unit (other than normal wear and tear).**

## **Pets/ Animals**

No pets of any kind may be brought into camp. Wild animals are not to be fed, teased, or captured.

## **Leaving Camp**

No one, Scout or Leader, is to leave camp without first checking out at the Camp Office. This is for everyone's safety during a camp wide emergency. Persons leaving camp must also check in upon returning to camp. Leaders needing to send Scouts home during the week need to report it to the Camp Director.

## **Statement of Non-Discrimination**

No person will, on the grounds of race, color, or national origin, gender, religion, sexual orientation, or handicap be excluded from participation in, be denied the benefits of, or be subject to discrimination under any program or activity of the Great Alaska Council, Boy Scouts of America.

# Camp Rules & Regulations

## Garbage & Food in Campsites

Each unit is responsible for disposing of their garbage in their campsites **daily**. All foods and smellables must be in the bear boxes provided in the campsites. In compliance with Department of Health regulations and the National Standards of the Boy Scouts of America, the storage of perishable foods in campsites is not allowed. This includes all dairy products and meat.

## Campsite Inspections

Campsites and cabins will be inspected daily to ensure the health and safety of all campers. .

## Unit Leadership

Each unit must have two **registered** adult leaders with Youth Protection Training in camp at all times. *Effective, Oct. 1, 2018, two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. This is a change from the previous policy where one leader could be 21 years of age or older with a second leader who could be 18 years of age or older. See Page 14 for more detailed information.*

**There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.**

**All adult leaders must have appropriate medical forms.**

## Responsibilities of a Leader in Camp

The leader's primary responsibility in camp is the safety of the Scouts 24 hours a day. You, as leaders, are an extension of the camp staff. Some of you have a great deal of knowledge of camping lore, and as such, will be asked to help in some of the program areas. All leaders will be expected to maintain control of the Scouts in their unit at all times. Pack leaders are responsible for discipline within their unit. Time out is effective; corporal punishment is prohibited!

Please stay together as a group at all times. Do not let Scouts go anywhere alone. Camp leaders **may not** bring other children or siblings to Camp, with the exception of scheduled visitors nights.

## Parents and Visitors

Parents and visitors are always welcome at camp. All visitors must sign in on the sign-in sheet and wear a Visitors Badge while on camp property. When leaving camp they are required to sign out and leave the badge in the appropriate location.

<b>Family Night Dinner</b>	<b>\$10.00</b>
<b>Children (4-10)</b>	<b>\$6.00</b>
<b>Children (3 and under)</b>	<b>Free</b>

Visitors must leave the camp by 10 PM; there are no facilities for overnight visitors at camp. Parents may dine with the campers. Reservations are re-quested. Visitors wishing to eat in the Dining Hall may do so and must present a receipt or ticket available for purchase at the Trading Post or Dining Hall front door.

Visitors should advise the camp of their intention to attend family night dinner not later than Mon-day afternoon so the correct amount of food is prepared. A menu, including salad bar, for this meal will be provided at the start of each camp week.

## Bear Training

In accordance with the Council's Bear Policy all camp participants will attend a bear safety training at the beginning of each camp session.

## Buddy System

Great Alaska Council Camps always use and enforce the "Buddy System" with campers. Every camper should have a designated buddy and stay with him all the time. If you see a lone camper, ask him "Where's your buddy?" This will help maintain safety and avoid lost campers.

## Chainsaw

BSA policy prohibits people operating a chainsaw on camp property unless they have met with the Camp Ranger and have completed the chainsaw safety briefing.

## Preferred Payment Method:

We prefer that you pay by check, either a single check or checks payable to BSA. **This is a change from the past.** You are welcome to use online payments but keep in mind you will be charged a service fee. Credit card processing fees cost the Council over \$12,000 last year. The Council will manually update your online payment forms.

### **Fishing**

Fishing in **Mirror** Lake is for the Scouts and leaders. Catch and release is preferred. If you keep a fish you must properly clean, cook and eat it. A fishing license is required for anyone 16 years or older.

### **Knives**

Knives will only be used in campsites WITH THE SUPERVISION OF AN ADULT and in designated program areas. Boys and adults will need to have a Whittling Card to use a knife at camp. Knives maybe confiscated If used improperly.  
NO SHEATH KNIFES ALLOWED.

## Camp Location

Camp Gorsuch is located halfway between Anchorage and Wasilla off the Glenn Highway at Mirror Lake. Take the Mirror Lake exit and drive to Gorsuch Road and follow the signs.

## Basics

Each Day Camp session begins on Tuesday morning, after breakfast, with day campers arriving around 8:45 AM and departing around 5:00 PM. Resident Camp starts on Monday night with registration beginning at 7 PM. Camp ends on Friday evening after the closing campfire.

Parents are encouraged to write but **do not call unless it is truly an emergency**. There is one telephone in camp and it is used for camp business only. Do not expect to talk with the leader or your son if you call. We have over 60 acres and meal times are the only times we are all together.

## Accommodations and Facilities

Wolf and Bear resident campers may stay in cabins, *(BSA policy states Tigers may only attend resident camp with a parent. If parent is not in attendance then the Tiger may only attend Day Camp)*

The cabins are equipped with 8 bunks (sleeps 6 Scouts and 2 adults) and a place to hang uniforms. Two adults of the same sex or a married couple will sleep in each of the cabins. In some cabins, more than one pack may be sharing cabins. If this is the case it will be necessary for one leader from each pack to stay in the cabin. Leaders who are not staying in the cabins with the Scouts will stay in the designated adult overflow **campsite** for male or female. For this reason, it is important to notify the camp director how many male and how many female leaders (not just the number of leaders) will be staying overnight.

No motor homes or campers are allowed due to parking limitations.

# Camp Dates, Location, Address, & Phone

## Green Wall Tents

Wolves, Bears, and Webelos as well as their leaders may also stay in tent campsites consisting of at least six tents, accommodating at least 15 boys and two leaders. We will do everything we can to keep packs together; but in some cases two packs may share a campsite. Tents will be filled on a first-come-first-served basis. Two adults of the same sex, or a married couple will stay in one of the six tents in the campsite. All other adults will stay in adult overflow. The only time an adult may share a tent with a youth in a "one on one" situation is if the adult is the parent of the youth. If your unit would prefer to bring their own tents and camp on the ground this is also an option.

## Showers

Shower facilities are located in the bathhouse. Since the bathhouse has individual showers privacy is guaranteed, but shower shoes may still be desired. Please note that these showers are on a timer. Please have all Scouts use the sinks in the bathrooms for brushing teeth. Outhouses and bathrooms are to be used, not the trees!

## Dining Hall

Meals are served cafeteria-style. Adults should sit with their pack. Extra parents at meals may or may not be a problem, please call in and ask for possible meal reservations. The paid campers get to eat first! After the meal, packs are assigned to assist with clean up. As part of their program Webelos scouts will cook their evening meals in their campsites. Den Chiefs will assist.

Packs will be issued meal bracelets for each leader upon check-in. Additional bracelets will not be issued, rotating leaders/chaperones are responsible for giving their bracelet to the next person. Families are always welcome to come to camp and share in their son's experience. Please let the Camp Director know how many additional people will be dining with us on Friday night so the cooks can prepare for them.

**Special dietary needs (allergies-not preferences) can be met by informing the Camp Director at least 2 weeks prior to arrival to ensure adequate menu items can be obtained. This information will also be collected via the online registration process. The Camps use peanuts and peanut products in the camp kitchens.**

# Camp Check In Procedures

The tour leader needs to check in at the office with the Camp Director on Monday evening.

Individual Scouts need to check in with their Pack leadership in their assigned cabin or campsite and do not need to come to the office.

The Tour Leader must bring the following to Check In:

1. Current camp roster and Tour Plan.
2. Proof of accident insurance coverage (note: only required if coming from out-of-Council)
3. **The Annual Health Form is required #680-001** must be completed for attendance at camp.
4. Any Camp fees that need to be reconciled. **Please bring the unit's latest invoice to reconcile the camp roster to fees paid.**

## **Resident Campers**

Resident campers will need to arrive on Monday night after dinner, between 7 and 8:00 PM. The gate is kept locked until 7:00 PM. It is strongly recommended that the Pack carpool to camp, as parking is limited. Meet at a designated place in town to check attendance and health forms prior to camp arrival. When you arrive, a member of the camp staff will help you find your assigned campsite or cabin. One adult needs to check-in at the camp office by submitting your rosters and health forms, reconciling fees, getting meal bracelets, and turning in medications (any boy turning in the medication needs to see the camp nurse so a picture can be taken for proper identification).

## **Day Campers**

Day campers participate in the same fun activities as the resident campers. The only difference is, they go home in the afternoon and come back the next morning. The registration fee pays for lunches, dinner on Friday, a patch and program supplies. On Tuesday morning, one adult from your pack needs to check-in with the Camp Director by submitting your roster and health forms, reconciling fees, getting meal bracelets, and turning in medications. When the Scouts arrive, go to the Parade Field where they will be greeted by camp staff and directed where to go. Program begins promptly at 9 AM. Those units with just day campers may meet with the Camp Director on Monday of the week they are coming between 2-4 PM to take care of paperwork. On Friday, the last day of camp, it is the Pack leadership's responsibility to ensure that

Scouts are picked up by their parent/guardian or an adult designated by them. The closing campfire ends around 8:00 PM.

On Friday, wearing theme related costumes is strongly encouraged. Demonstrate your spirit and Scouting pride by being the best-uniformed pack in camp!

## Dealing With Homesickness

A 1988 edition of the American Camping Association magazine reported that Homesickness is a very real and natural emotion that can occur when anyone leaves familiar surroundings. Young Scouts generally handle it very well. Parents are asked NOT to telephone Scouts at camp, except in the case of an emergency... and likewise, Scouts are urged not to call home. *This can actually cause homesickness.*

## Quiet Hours

Each Scout is asked to remain in his campsite and observe quiet hours between 10:00 PM and 7 AM.

## Trading Post

The trading post at Camp Gorsuch is stocked to handle most of the needs of the Scouts and leaders during their stay at camp. You'll find items like mosquito repellent and After Bite, toothpaste and toothbrushes, soap and shampoo. Plus, there are official BSA items like pocketknives, compasses, flashlights, and first aid kits. There are craft kits, souvenirs, Cub Scout Handbooks, and patches. And if you're hungry, there are soft drinks, juice, candy, crackers, and more! It is recommended that each Scout bring \$35 to \$50 for purchases at the Trading Post.

## The Role of Leaders in Camp

**The pack must maintain the 1 leader to 4 camper ratio with 2 deep leadership at all times.** *Effective, Oct. 1, 2018, two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. This is a change from the previous policy where one leader could be 21 years of age or older with a second leader who could be 18 years of age or older.* **There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth.**

For the sake of continuity 2 primary leaders should be present for the entire week. Leaders may rotate, but at least two adults who meet this criteria must be with the pack 24 hours a day. Whenever possible, please rotate adults in and out with an overlap planned in so that new adults can be "brought up to speed". This helps provide continuity and a good experience for both leaders and Scouts. Any parent male or female, of a Scout may be a leader in camp with the approval of the Pack Committee. Non-parent adults who wish to be a leader must complete an adult application and complete youth protection training. If it becomes necessary for a leader to leave camp for any reason, they must find a replacement, and sign out at the dining hall. Leaders who serve overnight with a pack and sleep in a cabin together, must be of same gender (2 women or 2 men) or a married couple. All adult leaders need to have their necessary health forms on file in the health lodge.

## Your Responsibilities:

**Have Fun!** Participate with the Scouts, help them and guide them. Help your Camp Den Chief. He is a trained staff member who will serve as your guide throughout the week.

**Take Attendance.** A Daily Log will be provided. Den Chiefs will have the forms and help take attendance daily.

**Maintain Discipline** in your group. The Gorsuch staff wants every Scout to have a good time and learn as much as possible. If Scouts are unruly, it makes it hard for anyone to focus their attention on learning.

**Set a Good Example.** You will be expected to follow the rules, regulations, and values of the Boy Scouts of America and those of Rasmuson Scout Reservation. You will be setting the example for your Scouts.

**Evaluate!** Your input is very valuable and we need to know what you think! Many suggestions made by leaders have been implemented immediately... You Really Do Make a Difference!

### **Evening Activities**

The Gorsuch staff works hard to ensure that your evening program is as much fun as your daytime program. Tuesday evening your camp staff will entertain you with the opening campfire.

Wednesday evening we will observe vespers in Dan's Palace, followed by the marble tournament, horseshoes, and chess and checkers with the staff. Webelos only can also participate in the rock wall as well as spend time out at the BB and Archery Range to complete their Shooting Sports Awards. Thursday evening is open program.

Please feel free to invite your families to come out and enjoy Camp Gorsuch on this night as the extra adults will allow each Scout to choose the activities they want to participate in the most. The BB and

Smellables, food, packs, and day clothes are stored outside of tents. Gear should never be stored in tents or areas where someone sleeps. Bears enjoy investigating gear and the smells that are within. As part of our bear and wildlife procedures we require that troops store their gear in one central location in their campsites. Troops should bring a pop up shelter or tent to keep gear out of the elements.

Only items in tents:

- ◇ sleeping bags
- ◇ sleeping pads
- ◇ sleeping clothes
- ◇ pillows

Bear boxes are kept away from tent pads.

Travel with a buddy at all times!

Dispose of trash properly & lock the lid.

Be tree safe. Only use established toilets or latrines.

Never run from a bear.

Transient bear:

- ⇒ Move out of his way.
- ⇒ Report sighting to staff.

Local bear and returning bears:

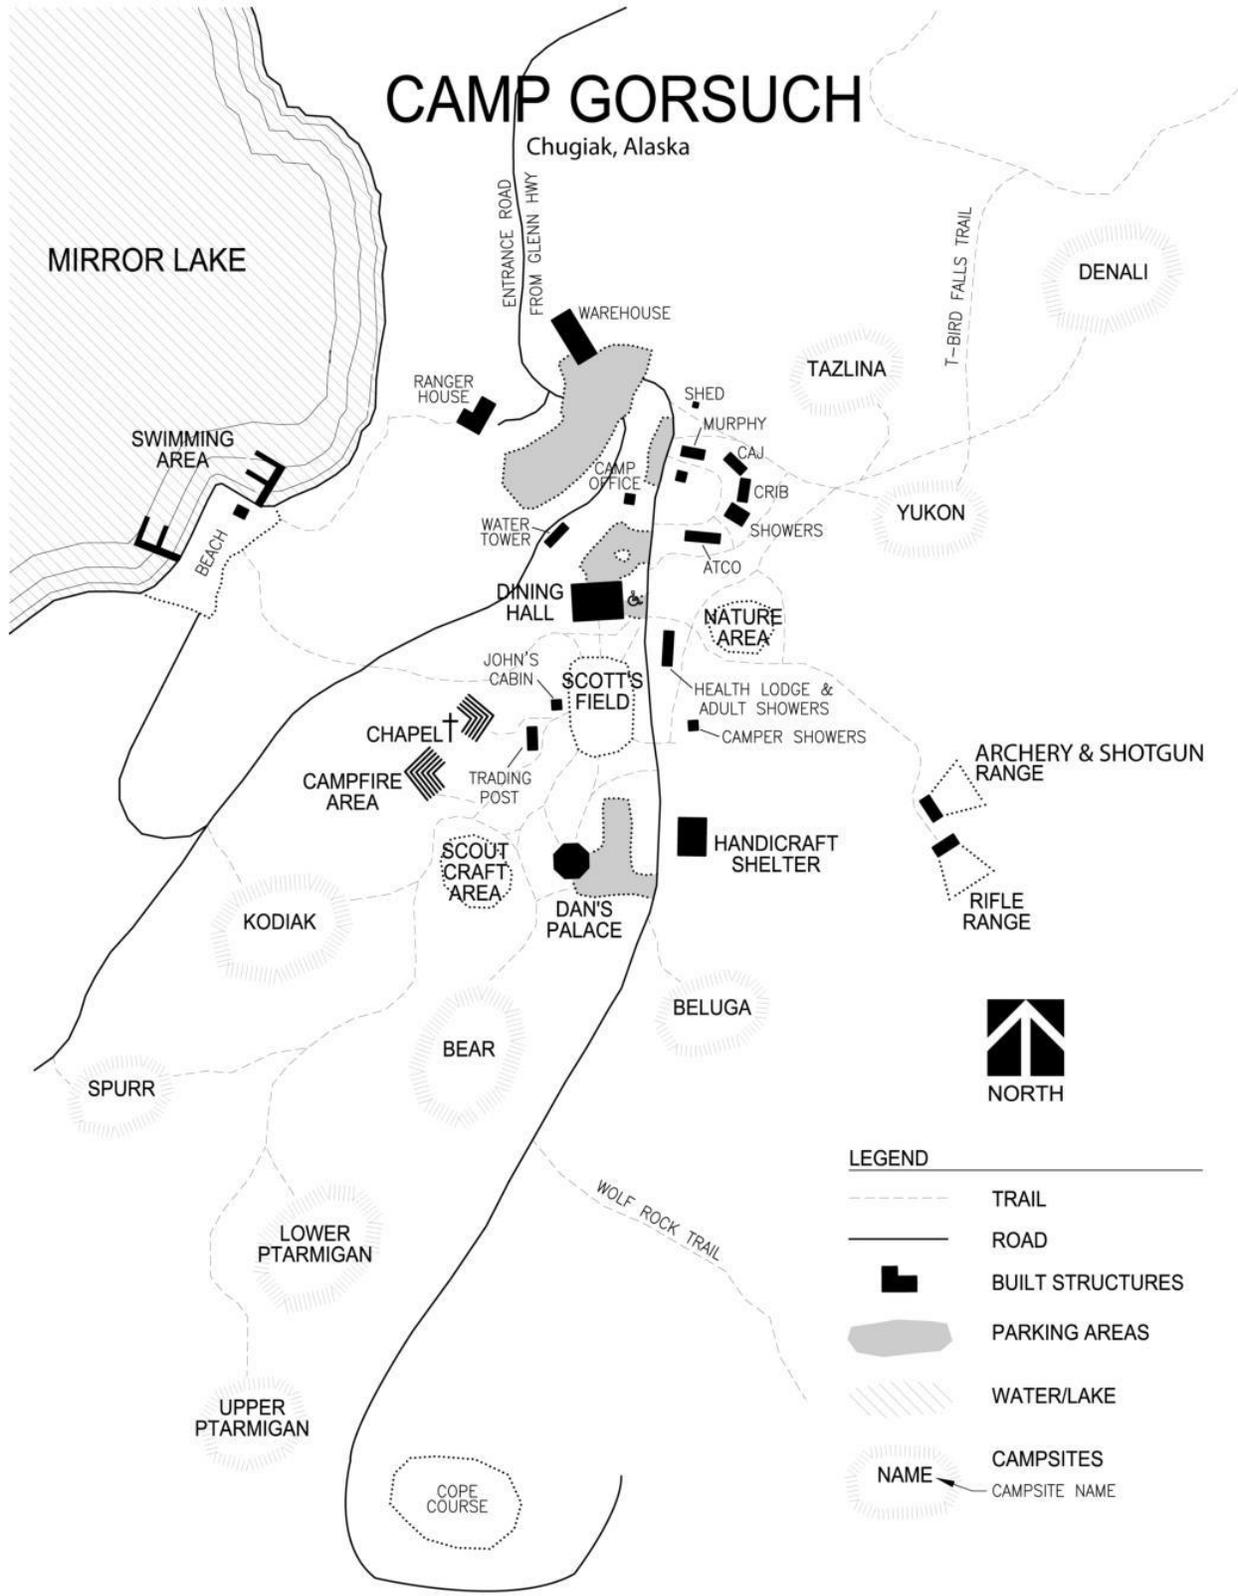

- ⇒ Move out of the bear's path.
- ⇒ Stay in a group.
- ⇒ If the bear causes an issue, deter the bear with loud noise.
- ⇒ Contact staff immediately.

Repeat offender bear:

- ⇒ Deter bear from camp with loud noise.
- ⇒ Stay in a group.
- ⇒ Contact staff immediately.

Only if necessary, the APD or ADFG will be contacted to take appropriate measure to remove the bear.

We are committed to giving every Scout an opportunity to attend our camps regardless of their financial situation. In addition to these funds, some Units have money specifically earmarked to also aid families seeking assistance with camp fees that we encourage you to look into if needed.

If you feel the process and funds awarded did not accurately represent your financial situation you may appeal to the Great Alaska Council, Scout Executive for a review and additional monies.
